Fire safety

In case of a fire, please go directly to the meeting point where the crèche staff will escort your children.

Settling in policy

Every child requires time to settle into a new environment. Our crèche team will work really hard, in partnership with you, to settle your child into our crèche environment.

You're really welcome to stay with your children until you feel comfortable and your child feels "at home" in our crèche.

We suggest that you book only 1-hour sessions for your first few visits. Please be aware it is our policy to call you back if your child is distressed and cannot be distracted or comforted within 15 minutes.
