Host a summer party or wedding in our idyllic gardens, impress colleagues in our smart meeting rooms or use our banqueting facilities for a celebration. A variety of packages and extensive sporting facilities – cycling experiences, golf tuition and tennis clinics – are available for Members and non-members to entertain clients or unite a team.

## **Membership types**

Membership categories mainly fall into golf and / or tennis and either of those permits Members to use the Health Club – gym and swimming pools etc. and the other games and facilities available at the Club.

We don't currently offer a 'family' membership, members join in their own right and Junior Members must have a parent or guardian who is a Member. Please see a separate breakdown of the membership categories and current fees (subject to review annually).

## **Waiting List**

We have a short Waiting List that is operated in chronological order. We take resignations in the autumn and offer places for entrance in the following January depending on how many resignations we've had and in which categories. We have also introduced a summer intake each year for a capped number of new Members.

## **Proposer and Seconder**

If Prospective Members know current Members of the Club we ask that they find someone to propose and second their application and to provide a letter to state how they are known to the Proposer / Seconder, for how long and to vouch for their good character and any attributes they would bring to the Club. Their signatures are also needed on the application form.

For Prospective Members who don't currently know any Members at the Club we ask for CVs, a copy of ID and letters from two professional people who can write a character reference for each Prospective Member and vouch for their good character. We will endeavour to help the potential Member find a current Member to support their application by either introducing them over a game of tennis, round of golf or in a social setting.

### **Membership process**

Once completed application forms, proposer and seconder letters (or other required paperwork, see above) and a £100 non-returnable application fee are received, Prospective Members are invited to attend a Prospective Members Meeting.

At this informal group meeting, Prospective Members are given more information about the Club and the application process by the Membership and Marketing Manager, Chief Executive and a Director. They are asked to say a few words from their chair about themselves and their reasons for joining the Club. The meetings take place one Sunday per month starting at 10am. After this meeting, all the Prospective Members' names are posted to the notice board in Reception for at least two weeks and are then taken to the following board meeting for applications to be ratified by the Board.

### **Shares**

Roehampton Club is a member-owned organisation and so we also require Members to buy shares. Two shares are required for those Members 35 – 39 years of age (£365 each) and four shares are required for Members 40+ years old (£365 each). Shares are bought back on resignation of membership and are currently being bought back at £345 per share.

### **Classes**

As well as fitness classes and coaching for adults, there is also a wide range of activities for children including holiday sports camps, group and individual lessons in swimming, tennis, squash, golf etc. costing a range of prices.

### **Crèche**

We operate a crèche taking children up to and including five years' old which is open Tuesday to Friday from 9.00 to 12.30 and weekends from 9.30 to 12.30. 20-hour vouchers cost £150, 10-hour vouchers cost £85 and ad-hoc sessions cost £11 per hour. The first 'settling in' session is free.
