

## Croquet Communique - 3<sup>rd</sup> November 2022

The summer season is over, but the weather has held out well. The lawns have now been reduced to three-quarter size, for the 'winter season' and 'jump shots' are no longer allowed due to soft ground.

### Golf Croquet Rainbow

A programme of 'Roll Up' sessions has been put in place for the winter along with the Golf Croquet Rainbow, which is played as a handicap event.

It is an ideal opportunity to play competitive GC through the winter and results are recorded on handicap cards.

Instructions are in the pavilion, and registration is by payment of £5 at Reception.

### The Hurlingham Bowl

Our last competitive match of the season was the Annual Association Croquet challenge between Roehampton Club and Hurlingham.

As always, an enjoyable and competitive event with Hurlingham retaining the trophy after a close contest.

### Prize Giving

Held in the pavilion on 16<sup>th</sup> October, we were pleased to see many Members for the annual prize giving.

Nick Yates, Diana Wilson and Charlotte Oades appear as winners of more than one competition. Many congratulations to them, as they are among our most recent recruits.

There was a brief AGM held beforehand with outgoing chair Anne Wilkinson thanked for her time as Committee Member, Captain, and Chair.

Reports were presented by the Chair and Captain and questions were taken from the Members.

Anne Wilkinson

Nick Yates – GC Doubles (with Sam Russell)
