

Introduction to Duplicate

Monday 12th December, 7pm

Bridge Room

This is our second Duplicate Special aimed at those who have recently attended a series of beginners/improvers bridge lessons or for our social bridge players who haven't played Duplicate Bridge before but would like to try it.

This friendly, social introduction to Duplicate Bridge will:

- Be played with fewer hands and more time for each than in a normal duplicate.
- Explain how a typical Duplicate scoring system works.
- Only allow simple systems/conventions.
- Have some of the bridge committee present to support you.
- Come along either with a partner or by yourself and we will match you up with someone.

There will also be a glass of wine on offer to welcome you to the session!

Register for this session by emailing Julie Bacon, Bridge Chair at julie@juliebacon.plus.com or Fiona Pollard, Beginners / Improvers convenor at fiona@datefamily.com or contact them with any queries.
