

Art Palette – 26 January 2023

The programme of art lectures started last week with a blockbuster on Modigliani, attended by 120 people! The annual subscription to join the art group is £20 and includes seven free lectures plus access to join the classes; so much better value than paying guest fees to attend individual lectures.

Art Lecture – Tuesday 21st February, 8pm

Dali – a Renaissance artist in the 20th century by Julia Musgrave

Like the Renaissance artists he admired, Salvador Dali did not restrict his creative output to painting but was also a writer, poet engraver, sculptor, architect, theatre designer and jewellery designer.

As well as designing jewellery, Dali selected the materials to be used, focusing not just on the colours or the value of the material, but also on their symbolic meanings.

This lecture explores the work of Dali the designer and science enthusiast.

Free to Art Group Members, no need to book.

Charles Carne

We have been saddened to hear of the recent death of Charles Carne, a longstanding member of the Art Group committee and founder of Roehampton Club's 'PhotoClub'.

Starting from scratch in 2010, Charles swiftly brought together an active team of keen photographers who went on to develop a wide-ranging programme of photographic activities: professionally-led classes, annual exhibitions at the Club, tutorials by leading photographers – plus many photo trips to locations in the UK and abroad, including South Africa, Morocco, Tuscany and Venice.

Speaking to those who worked with Charles setting up the PhotoClub one said, 'he was a lovely man always with a twinkle in his eye ... his enthusiasm and good humour will be much missed'.

Our condolences and sympathy go to Sally and the Carne family.
