

Art Palette – 20 April

Class artwork exhibition

The class artwork exhibition will be on display in the Reading Room until next Friday 28th April, make sure to see the outstanding work by the students in our weekly painting and drawing classes. Especially the beginners.

Summer masterclasses

The recent pastel and portrait masterclasses were a huge success with some great feedback from students. These were sold out in record time and we're planning more classes in the summer. If you'd like to find out about these ahead of the rest of the Club, it's a good idea to join the Art Group and get early emails!

Art Lecture in the Club at 8pm on 16th May

Fine Art has provided advertisers and their agencies with a great deal of material to use in their creative campaigns. In an amusing, entertaining and informative lecture Tony describes some of the processes by which advertisements are created and why the works of da Vinci, Raphael and Michelangelo have been a particularly rich source of their visuals.
