

Croquet Communique – 16th November

The rapidly changing weather has seen several rainbows over the croquet lawns in the last week. There must be 'pots of gold' all over Barnes and Putney!

Solomon Cup

Mark Van Loon (Roehampton Club), was in the England Team competing against the USA for the Solomon Cup. Played at Sarasota Croquet Club in Venice, Florida, from 7th to 12th November.

Teams of six played 21 matches of Association Croquet. Mark had mixed fortune, winning one of his singles. The USA with their youngest ever team were victorious.

Nan Owen

It is with much sadness that we announce the passing of Nan Owen.

She died peacefully at home early on 14th November. Aged 93 and an Honorary Member of the Club, she was a long-standing golf member, and latterly an enthusiastic croquet player.

Enjoy your croquet!
