

INTER SERVICES GOLF DAY

MONDAY 10 JUNE 2024

Last year's Salute the Services Charity Golf Day saw Roehampton Club golfers raise an impressive £6,300 for the services charity PTSD Resolution.

This year's event will offer the opportunity to play some spirited golf and support another services charity – the Air League and 617 Squadron RAF – The Dambusters!

These two dynamic organisations work together to provide funds for highly-motivated young people without the personal means who want to learn to fly and join the RAF, the Fleet Air Arm or the Army Air Corps plus those who want to become civilian airline pilots.

Join Air League and 617 Squadron representatives at the Club to play golf and hear short presentations during the post-golf meal.

£50 Members only - book now via Intelligent Golf

Includes halfway hut refreshments and a two-course lunch to follow golf

Arrive 08:30, shotgun start at 09:30, lunch 14:15
