

Pickleball Club Championships 2024

On Wednesday 5th June to Friday 7th June, Roehampton Club hosted its first ever Pickleball Club Championships.

We had 60 Members and over 100 entries to the five disciplines (Men's and Women's Singles, Men's and Women's Doubles and Mixed Doubles).

On Wednesday, Mixed Doubles took place and the quality of some of the matches was amazing to see.

In an enthralling final, Sophie Cockell and Charles Bowen-Rayner defeated Carolyn Laville and James Chaudry, two sets to one, winning 11-9 in the third set!

On Thursday 6th June, we hosted the Men's and Women's Doubles.

After, three hours of fantastic pickleball, Sophie Cockell and Sara Levy defeated Frances and Charlotte Bowen-Rayner in the Women's Final.

On the Men's side, James Chaudry and Charles Bowen-Rayner defeated Luke Warriner and Nick Yates in the final.

Match of the day went to the semi-final of Luke and Nick vs Alan Flitcroft and Richard Good with Luke and Nick coming out winners 11-9, 10-12, 12-10!

Friday 7th June was singles evening. Rally scoring rather than traditional scoring was chosen to provide more entertainment to the matches and it did just that.

James Chaudry came through to win Men's Singles, beating Charles Bowen-Rayner in the final.

Arguably match of the tournament was the Women's Final, with Frances Bowen-Rayner beating Sue Burns 9-11 11-4 12-10!

After each event finished, pickleball showed how sociable it is with the majority of players all heading to the Members Bar for a drink and food!

Thank you to everyone who took part in the Championships. To see such a large number of players competing and enjoying themselves was great. It was also amazing to see how strong a lot of players here at the Club have gotten and we are looking forward to seeing more silverware in tournaments around Europe from Roehampton Club Members in the future!
