# WELCOME FROM THOMAS TROEDSSON, ESF PRESIDENT

Welcome to the European Club Championships 2024. On behalf of the European Squash Federation I'm very happy to welcome all teams and players to this year's European Club Championships held in London at Roehampton Club. This year's event has attracted 18 teams from 11 member nations and close to 100 players.

I'm very grateful to the England Squash Federation for organising this year's Championships, together with Roehampton Club. Paul Lindsay, Championship Director is supported by his organising committee as well by the ESF Championship Committee, represented by Barry Brindle and Marcel Borst. Not to forget the many volunteers who are helping to make this a great Championships.

I also would like to thank all the referees organised by Championship Referee, Marko Podgoršek, all of whom have volunteered to help over these four days. I hope all of you – players, coaches and managers will appreciate their effort and time to make this a successful event. Finally, we should not forget all the sponsors and partners that support this Championships financially.

I wish you all the best of success at Roehampton Club, with many good and fair matches and a great time.

# WELCOME FROM MARC NEWEY, CHIEF EXECUTIVE

Dear Player, Coach and Supporter,

It's my pleasure to welcome you to Roehampton Club for the European Club Squash Championships.

Racquets Manager Paul Lindsay has led our team to provide you with the best facilities we can so you can all play and watch the best squash. If you need anything over the four days please ask Paul or the team.

Can I ask you all to please respect all our Members here at our busy sports club playing other sports and perhaps invite them to come and watch!

I would also like to thank our sponsors for their support and our squash section for allowing their courts to be used for such a prestigious event.

May the best teams win, with every match being played in a competitive but friendly spirit.

# WELCOME FROM MICHAEL HILL, CLUB CHAIR

It is my pleasure as Roehampton Club Chair to welcome all the teams and players to the European Squash Club Championships.

Squash has been played at Roehampton Club for approximately 100 years, and enjoys great participation, thanks to the hard work of the executive team and squash committee. It is an important part of our history as a club, and it will continue to thrive into our future.

We find it important to maintain a balance between elite and participation sporting activity, but we are very fortunate that our elite players are very much part of our Squash Section.

Finally, I would like to thank Paul Lindsay, Racquets Manager and the Club's executive team for all their hard work in getting these championships organized.

It has taken several months put in place and as always I am sure it will run smoothly. Good luck to all, have fun, and may the best teams win.

# WELCOME FROM NICK CHARTERIS-BLACK, SQUASH CHAIR

A warm welcome from Roehampton Club Squash Section to all our guests and spectators for what will no doubt be a thrilling sporting spectacle over the tournament's four days. Squash has been at the heart of Roehampton Club for over 100 years. Indeed some of the courts originally date back to that era but fortunately(!) have been subject to extensive refurbishment to provide the excellent facilities we now enjoy, enabling us to host such a prestigious European squash event.

The squash section has a rich history and has enjoyed much success particularly in recent years under the leadership of our current squash professional Paul Lindsay who celebrates 20 years with the Club in 2024. Hosting the European Club Championships provides a fitting tribute to all his endeavours on behalf of the section over so many years.

We compete in the Bath Cup, the world's oldest squash competition, dating back to 1922, contested by the leading London sports clubs. We are the current champions and were Queen's Cup winners in 2022 (the women's equivalent to the Bath Cup). Roehampton Club was also Men's and Women's National Squash Club Champions in 2022 and 2023.

I am delighted to welcome you to squash at Roehampton Club and hope you can enjoy the facilities and ambience that the Club provides to Members and visitors alike.

# WELCOME FROM PAUL LINDSAY, RACQUETS MANAGER

We are very proud to be hosting the 35th ECC at Roehampton Club and want to make this a special event for all involved. After years of competing in the National Clubs (winning three men's and two women's titles) and two European Club Championships, Roehampton Club is not only the host this year but also provides the defending champions in the women's competition.

Roehampton Club players past and present have made these competitions such fun to be involved in and a tremendous amount of commitment, work and effort by everyone at the Club makes squash an active and sociable section and we are ready to welcome all to this prestigious event.

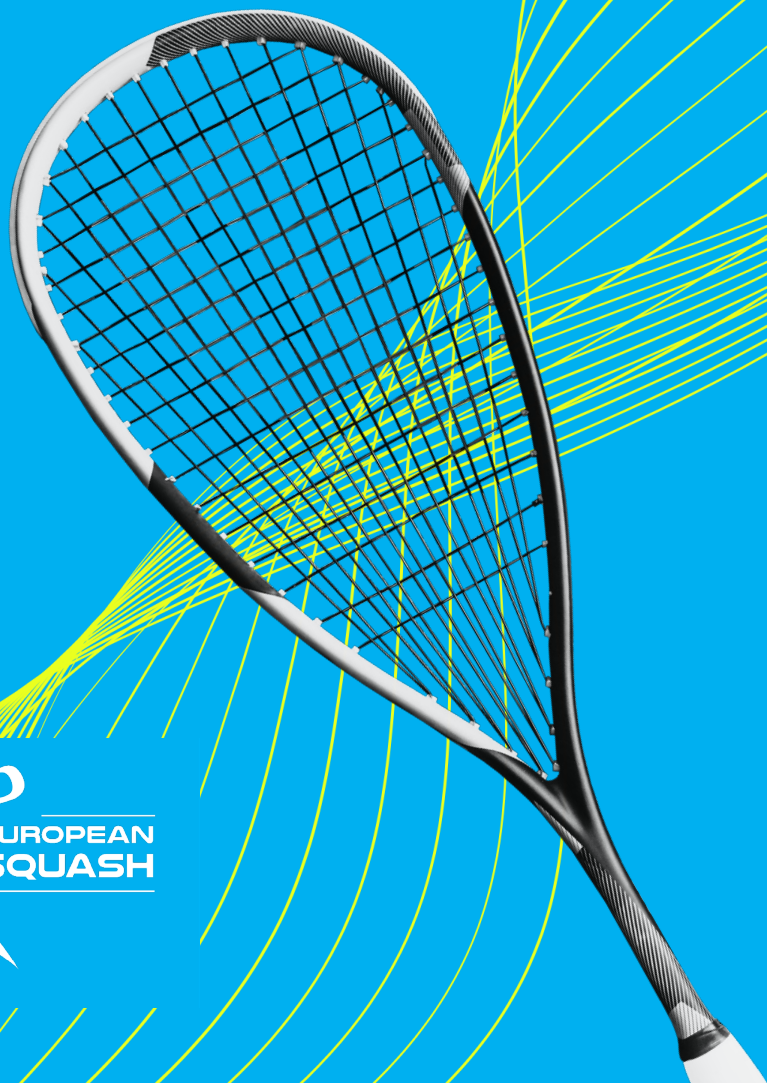

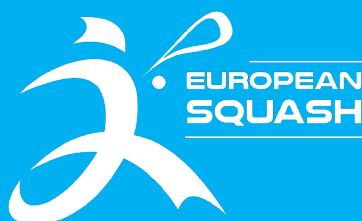

The Club's women are aiming for a third consecutive ECC title with the men hoping to emulate the women in a packed four days of squash across the championships. I look forward to seeing some of the best players in the world competing as well as some 2028 Olympic squash hopefuls!

We encourage all players, guests, spectators to come to watch and help grow this wonderful sport.

## **Sporting successes**

The Paderborn Squash Club has won numerous national and international titles in recent decades. Thanks to its numerous successes and its comprehensive programme, the PSC has earned itself a firm place in the regional, German and international squash scene.

# ROEHAMPTON CLUB AT THE 34TH EUROPEAN CLUB CHAMPIONSHIPS 2023

The European Squash Club Championships were held in Paderborn, Germany from 13th to 16th September 2023. With Roehampton Club Men's and Women's Teams as National Champions, they represented England in the European Club Championship 2023.

**Women's squad: Satomi Watanabe, Jasmine Hutton (Captain), Katie Malliff, Kace Bartley.**

The Women's Team faced three matches in two days as they played out their group with 3-0 wins against Oly Koks and Tales (Belgium), SC Monopol Frankfurt (Germany) and Squash Fricktal (Switzerland).

Topping the group provided a semi-final against the host club Paderborn on Friday evening. The home crowd loudly cheered on their team, but the Roehampton Club players stayed focused to take the match 3-0.

Saturday saw Roehampton Club face Frankfurt in the final. Frankfurt produced a great win against Mulhouse (France) in their semi-final to set up a repeat of the group stage match earlier in the week.

While Roehampton Club were favourites to repeat their group stage victory, the large crowd and amazing atmosphere for the venues all glass show court meant nothing could be taken for granted.

First on court was Katie, playing at 3. Katie had not been challenged all week in her matches and the young professional made sure her focus remained

more mature than her years by producing another wonderful performance, never letting her opponent settle into the match.

**Katie Malliff beat Maya Weishar 11-3, 11-4, 11-5.**

Next on was Satomi Watanabe, Roehampton Club number 1 and world number 18. Satomi had had a tough / physical match in the group stages against England's Grace Gear, playing at number 1 for Frankfurt.

For the final Satomi provided the crowd with some ruthless and clinical squash, with her clean striking of the ball and speed around the court just too good once more. Satomi closed out the third game quickly and much to the delight of the team retained the title. **Satomi Watanabe beat Grace Gear 11-3, 11-5, 11-1.**

This meant the final string of the match, **Jasmine Hutton vs Katerina Tycova** was not played.

**Men's squad: Adrian Waller (Captain), Charlie Lee, Joe Lee, Jonah Bryant, Ben Coates, Hasnaat Farooqi.**

The Men had two group matches on Wednesday against Fitzwilliam (Ireland) and Edinburgh (Scotland) winning both 4-0. They then faced Birkerød Squash Club (Denmark) in the quarterfinal on Thursday, taking another convincing 4-0 win.

This meant Roehampton Club would face Uster (Switzerland) in the semi-final. A solid 3-1 win to Roehampton Club saw the Men's Team make the final of the European Club Championships for the first time.

Roehampton Club faced hosts Paderborn (Germany) in the final. A huge crowd gathered to watch the world class squash on show. While Paderborn might have been favourites going into the match, it was too close to call.

First on was Joe Lee vs Simon Rosner. Simon a former high world rank 3 had the home crowd cheering and clapping his every move. Joe took time to settle and although playing well, just couldn't string a run of points together.

With the format of four players the results have been known to come down to games or points won, with this in mind the brutal third game saw Joe win 12-10 and certainly gave himself a chance of victory. Some tactical slow play between points combined with full effort in the rallies by Simon meant he hung on to take the game 11-6. **Simon Rösner beat Joe Lee 11-4, 11-3, 10-12, 11-6.**

Next up was our Captain and Number 1, Adrian Waller against Dimitri Steinmann. A fast start from Adrian who was in total control taking the first game fairly easily to give Roehampton Club real hope of a trophy upset. Dimitri regrouped quickly in the second game and won another one-side game.

Both players had now settled, and it was Adrian who managed to claw back a deficit and take the third game. The fourth game was very tough with both players giving everything physically and every time Adrian looked like getting the scores back to level it felt Dimitri won the next point against the run of play.

Two games all and into the decider. Again such a close game with two world-class players trying to force an error or hit a winner. Adrian left everything on the court but victory was to be denied as Paderborn went two strings ahead. **Dimitri Steinmann beat Adrian Waller 4-11, 11-3, 9-11, 11-8, 11-9.**

Third on court was Charlie Lee against Raphael Kandra. Charlie, simply put, had to win against a player ranked higher in the world. The first game was superb with Charlie mixing deception and patience to move Rapha around. Some huge points lead to Charlie stretching awkwardly and feeling a twinge in his back.

While not evident as Rapha won the first game it was decisive as Charlie was unable to move freely and compete. Bravely Charlie played out the match but Rapha won 3-0 and with it, retained the title for Paderborn. **Raphael Kandra beat Charlie Lee 12-10, 11-4, 11-1.**

This meant the final string of the match, **Lucas Wirths vs Jonah Bryant** was not played.

### **Words from the Roehampton Club Team Manager Paul Lindsay after the match:**

*'The Men's Team performed amazingly by making the final and the Women's Team produced some very strong performances all week. Delighted with the performances in the finals and winning the European Women's Club title. I can't speak highly enough of all the Roehampton Club players involved and am very proud of their achievements at this European Club Championship.'*

### **Words from the Paderborn Captain Simon Rösner after the match:**

*'The fact that we were able to stand up here on the podium today and play in front of such a great backdrop in the Ahorn Sports Park is something very special. We had a very strong opponent in Roehampton Club, against whom we played our best squash. If someone had told us beforehand that we would win 3-0, we wouldn't have believed it.'*

An amazing effort from all involved in Germany.
