

MARGARET WATSON

Member of Roehampton Club from 1951 to 2024

It is with great sadness that we announce the death of Margaret Watson who was a Member of the Club for 73 years.

Margaret died on 21st June 2024 at the age of 96. She had been a Member of Roehampton Club since her late 20s. Roehampton Club is where she met her life's love and partner of nearly 60 years, Euan. In many ways Roehampton Club was at the centre of their world – they played tennis, swam, attended the art group and socialised. Some of their closest friendships were formed in the bar over an orange juice or a beer and they were always enthusiastic participants in any social events. Nearly a year ago Margaret left her home in Richmond to be nearer to one of her daughters, but she continued to talk with great affection about her days at Roehampton Club and all the people she had met.
