The garden room bar flows seamlessly into the bridge room, a serene and relaxing area accented with feature lighting and earthy green tones that capture the essence of the Roehampton Club.

BISTRO ROOM

An elegant multi use space with acoustic bifolding doors opening into Function Room 03, allowing for intimate bistro dining and larger scale events.

TERRACE

A place to enjoy the views of the golf course and grounds. Complete with a retractable striped awning making the terrace a perfect extension to the bar lounge all year round.
