

PhotoClub Focus – 10th October 2024

Joel Meyerowitz lecture

The highlight of this month surely must be the upcoming lecture by Joel Meyerowitz on Thursday 31st October. Joel Meyerowitz (b. 1938) was born in New York City and began taking photographs in 1962. Meyerowitz was the only photographer to be given unimpeded access to Ground Zero in the wake of 9/11. Art Group members have free entry but need to register at Reception, Club Members £15 and guests £20. Book now at Reception or give the team a call on 020 8480 4200.

Reading Room Exhibition

Please visit the PhotoClub Reading Room Exhibition on display until mid-November featuring images taken by class members during the past year. There will be a change to part of the display to include images taken during the recent European Squash Championships and other work.

Marc Quinn Light into Life Exhibition

The visit to view Marc Quinn's Light into Life at Kew Gardens was enjoyed by 10 Members on a very grey day. We will be holding an evening to show the images (date tba), followed by supper

in the Piano Bar. Any Club Member will be welcome to join us for this review of work and supper.

PhotoClub classes

The current term of classes finish on 17th October. The new term starts on Thursday 7th November for five weeks at the cost of £165. During the past few weeks, Members have also enjoyed a Phone Photography evening class. We would welcome expressions of interest for future classes to look at the many apps that are available for phones nowadays.

Classes for beginners / those new to digital cameras

We are looking for expressions of interest for a set of beginner classes to take place in the New Year. Please let Sarah Smith [07776183956](tel:07776183956) / smithgarden@icloud.com or Peter Buckingham ptrbuckingham@gmail.com know if you are interested and would like further details.

Photographing the European Squash Club Championships

The PhotoClub was invited to record all the action of this championship. Eleven Members took part on different days. They provided the players with a continuous loop slide show of each day's play which could be watched in the players' lounge.
