Golf Club Trade In Event

Saturday 19th October
9.30am – 12.30pm

Forget about the hassle of selling your old golf equipment on auction sites and marketplaces.

On Saturday 19th October we will give you a convenient opportunity to empty your locker, your garage, or the cupboards that you store your old golf equipment in and convert them into cash.

How it works ...

Bring your preowned golf equipment for instant valuation from the guys at Golf Clubs 4 Cash. Once accepted, receive the credit in your Sports Shop account to use against anything in our store on the day or in future.

What they accept ...

Used golf clubs (subject to age and condition)

Used golf bags (subject to age and condition)

As many makes or models as possible will be accepted, however there are some items that they cannot make offers on due to the brand, age, or condition. Drop in on the day and make sure to take advantage of this excellent one-off opportunity.

Don't worry if you cannot attend on Saturday 19th October, you are welcome to drop your old clubs in a few days before, let us know what value you would be happy to accept, and we will look after the rest for you. Please contact the Sports Shop in advance if you have any questions about this event and we would be happy to assist.
