VIGLIONE FIANO MAIOLICHE PUGLIA IGP 2023

Intense developed fruit characteristics on the nose are complimented by delicate floral notes. Plenty of fresh acidity, the palate shows hints of green apple, lychee and white flowers followed by a refreshingly clean and lasting finish.

ORGANIC CABERNET SAUVIGNON PARAISO SUR EMILIANA 2023

The stainless-steel aged wine provides a ripe, fruity character to the end product with notes of redcurrants and plums. Silky on the palate with well-integrated tannins, the finish is fruity, juicy and persistent.
