

# **MYLES COUSINS**

Member of Roehampton Club

1970 - 2024

It is with immense sadness that we announce the recent death of a long-standing Member, Myles Cousins.

His son, John Cousins, has kindly written the following:

‘On Thursday 7<sup>th</sup> November 2024 Myles Cousins passed away.

Aged 96 and  $\frac{3}{4}$ , he enjoyed a fulfilling life in his adopted country whilst retaining a love of “back home” in Dublin and all things Irish, as anyone will attest to if in conversation with Myles for more than five minutes.

Myles enjoyed a glass of Jameson and water and a round of golf at Roehampton Club for over 50 years. Whilst not the most competitive person, his retirement years produced an Honours Board performance that he was proud to show his grandchildren.

He greatly appreciated the friendships he made at the Club and the service provided by all the staff over the years’.

There will be a private funeral, with family only.

Our sincere condolences go to his son John and the Cousins family at this sad time.
