WELCOME

Roehampton Club, set in 120 acres of magnificent parkland, originated as an officers' polo and croquet club founded by three brothers, Edward, George and Charles Miller. They were determined to have a polo club accessible from central London as the sport had become so popular. So in 1901 Charles was sent to find suitable ground that would still be close to the city. With Lord Shrewsbury elected as its Chairman and the Queen's brother the Duke of Teck invited to be President, the Club was formed in the same year.

Within a few years the Club flourished and became known for its 'influential clientele' especially throughout the Edwardian period – King George VI as Duke of York, Sir Winston Churchill, David Lloyd George, Admiral Lord Jellicoe were all Members. It continued to have a thriving social scene right up until the First World War. This was largely fostered by Charles' wife Grace, an extremely elegant and superb organiser, who came to play an important role as the Club's social scene manager. She was even known to run an eye over other Members as they entered, to make sure they were properly dressed!

Now over 124 years on, Roehampton Club continues to be a premier Members' sports club, offering the finest range of sporting facilities in the London area including a beautifully presented 18 hole golf course, 28 tennis courts with ten fabulous grass courts, six squash courts including a doubles court, two padel tennis courts, four international standard croquet lawns, indoor and outdoor swimming pools, a gym, three fitness studios including Group Cycle, a sports injury and beauty clinic, crèche, dedicated bridge and snooker rooms and the Sports Hall for martial arts, table tennis, birthday parties and an art and photography studio. Still following in tradition, the Club still has a thriving social scene and beautiful gardens in which to relax.

Members and their families are encouraged to host their events at the Club whether it be for an intimate dinner or a celebration on a much grander scale. There are many different spaces available for hire including lawns for marquees surrounded by a stunning array of flowers and shrubs.

Members often tell me they are very proud of their Club, its very friendly staff and the wonderful range of sporting and social opportunities it offers for the whole family. We all look forward to welcoming you and your guests and trust you will enjoy every aspect the Club has to offer.

MEMBERSHIP

As soon as you become a Member, you may propose or second candidates for membership, provided they are known to you personally. There are no limits to the number of candidates you may propose or second and we welcome you to attend the monthly Prospective Member Meetings with your candidates.

APPLICANTS WITH A PROPOSER AND SECONDER

Candidates should complete an application form, obtainable from the Membership Team, Reception or from the Club website www.roehamptonclub.co.uk

The form must be signed by a proposer and seconder who are Members of the Club, personal friends of the candidate and who will provide letters supporting the candidate's application.

It is the responsibility of the proposer or seconder to show the candidate around the Club should they wish to see the facilities prior to making an application or to suggest that they arrange a Club Tour with a member of staff.

A non-refundable registration fee of £100 should accompany each adult application.

APPLICANTS WITHOUT A PROPOSER AND SECONDER

Potential Members should arrange a Club Tour with a member of staff before starting the application process.

Candidates without a proposer and seconder should complete an application form and submit it with a non-refundable registration fee of £100 for each adult application along with the candidate's CV, two professional references, photo ID and, if applicable, confirmation of past/present membership of any other sports clubs.

Once added to the Waiting List we will assist Prospective Members in finding current Members to propose and second their membership application.

All candidates will be invited to a Prospective Member Meeting, held once a month on a Sunday morning to meet the Chief Executive, a Director, the Marketing and Membership Manager and other Prospective Members. The Chief Executive and Board Director will then endorse their application before submitting it to the Board for approval.

THE WAITING LIST

Membership is offered in chronological order and we endeavour to offer the preferred membership category. There is an intake of new Members each January and the number of resignations received at the end of each year determines the vacancies available for the following year.

A second intake in the summer months offers a limited number of memberships in June to start on 1st July.

There is a separate waiting list for Junior memberships but where possible we will offer memberships for all members of the family at the same time.

GUESTS

Guests must be accompanied by a Member when in the Club and must be signed in at the Gatehouse on arrival. The appropriate guest fee should be paid at either the Clubhouse Reception or the Health Club Reception.

A non-member is welcome on six occasions to play a sport and up to twelve times socially. The total number of guest visits must not exceed eighteen in any one year. It should be noted that the guest is limited to these numbers of visits per year, regardless of which Member they are a guest (e.g. a non-member may not enter the Club as a guest of one Member six times to play a sport and as a guest of another Member a further six times).

COACHING

Only Members may participate in golf, tennis, squash, and swimming coaching groups. Non-members by Member invitation only may have individual coaching but must pay the relevant guest fee at the Clubhouse Reception.

CHANGING MEMBERSHIP CATEGORY

No Member, by paying a guest fee or by invitation, may participate in a sport or play at a time which their category does not permit.

If you wish to change your category of membership you should contact the Membership Team with your request by 30th November and, unless a place is available, your name will be added to the relevant waiting list. Category changes will become effective at the beginning of the following year, subject to vacancies. Non-playing membership is available to those who have been Members for ten years or more. Absent membership is available to Members who live at least 65 miles from the Club.

The following Members may apply to the Membership Team to change their membership category during the year: i) Absent Members returning to the Club who wish to resume their former category, ii) Members who have achieved the required golf handicap and have been approved to play golf at weekends may apply to upgrade to the Full Playing category, subject to vacancies.

CHANGES TO YOUR CONTACT INFORMATION

Please keep the Membership Team informed of any changes to your contact details, by completing a form at the Clubhouse Reception, or via email: membership@roehamptonclub.co.uk

CLUB CARD/WRISTBAND

Your Club membership card/wristband must be with you at all times while at the Club as it will be needed to gain entry into the Club car parks, the Health Club, and to make any payments using your levy.

LEVY AND TOP-UP

The Annual Levy of £300, collected with your subscriptions, is to be spent on food and drink in the Club. It is not transferable and must be used within the subscription year (by 31st December). Food and beverage off sales are not permitted.

Adults may add 'Top-Up' amounts of £20 or more and Juniors may add 'Top-Up' amounts of £15 or more to their Club Card. Any unspent 'Top-Up' will be carried forward to the following year.

WHAT HAPPENS AT THE END OF THE YEAR IF THERE IS STILL MONEY IN MY LEVY ACCOUNT?

Any unused Annual Levy will be forfeit and no extensions will be allowed. Any unused Top-Up Levy is automatically carried forward to the next year. When a new year begins, the Annual Levy is used first, followed by the Top-Up for any food and drink purchases.

A lost or damaged card/wristband should be reported to the Membership Team or Clubhouse Reception so the card/wristband may be cancelled and a new one ordered. You will be responsible for any money spent on the account until the loss is reported. A replacement card/wristband (for whatever reason) costs £6.

WHERE CAN I USE MY CLUB CARD?

In order to encourage Members to support the bar and catering facilities, the Annual Levy may be spent in the Club Café, the Members Bar, Juice Bar, Piazza Coffee Shop and Sunday Carvery. Guest fees and event tickets may be paid for by Club Card and Top-Up Levy may be used to pay for Social Scene events.

HOW WILL I KNOW WHEN MY CLUB CARD CREDIT IS USED UP?

Following a transaction you will be given a receipt which states the amount spent and the closing balance. The system does not permit overspend, so if your bill comes to more than the amount which is on the card, the excess should be paid by cheque, debit or credit card. You can also check your levy statement and receipts in your account in the Members' area of the website.

WHAT HAPPENS IF I PAY MY SUBSCRIPTION QUARTERLY?

You are required to pay the Annual Levy in January. No instalments will be allowed for Annual Levy.

WHAT HAPPENS IF I BECOME AN ABSENT MEMBER?

Annual levy will not be refunded but any Top-Up Levy will remain on your account for five years after purchase and may be used on visits to the Club. Should you return from Absent the levy will be charged pro-rata to the end of the year.

CAN I TRANSFER MY ANNUAL LEVY TO ANOTHER MEMBER?

No. The Annual Levy is non transferable.

IF I RESIGN WILL ANY UNUSED TOP-UP BE REFUNDED?

The team also offer expert advice with lessons on the range and on the course with video analysis.

TRACKMAN TECHNOLOGY

Trackman radar, as used by the world's best players is used by the PGA team at Roehampton Club.

If you measure it, you can manage it. Trackman is the latest technology for ball flight and swing measurement and is used by almost all the world's best players. This is a military grade radar and it takes 40,000 data measurements in one second as you swing.

During impact, the club head and golf ball are in contact with each other for less than half a millisecond (0.0005 of a second), meaning for much less time than the human eye can register. This elusive moment is best captured with radar technology due to its extremely high capture rate compared to any other technology or by high speed camera.

Since purchasing Trackman, as coaches we have adopted new methods of coaching to complement our tradition based knowledge and have adopted different ways of presenting the same information using science based evidence.

The very exciting part of all this is that the PGA team's Trackman training sessions are completed by the European Tour Trackman representative who teaches European Tour players how to analyse their data and how to improve their techniques. If you love data, you will love Trackman.

CUSTOM FITTING GOLF EQUIPMENT

We are proud to offer Roehampton Club Members a premium Custom Fitting service. Delivered through our team of experienced PGA Golf Professionals, our indoor Performance Studio is equipped with state-of-the-art Trackman 4 technology. We offer full custom fitting experience testing the very latest equipment from golf's leading manufacturers and we aim to provide a first-class service.

Our team of PGA Professionals boast over 40 years of experience within the golf industry, giving us a depth of knowledge that we can pass on to our members. We enable each client to purchase customised clubs with confidence that are suited perfectly to their individual golfing characteristics.

What is Custom Fitting? It is all about you and the fact is there is no 'one way' to play it. Every single person that enjoys the game does it in their 'own' way, at their own level and therefore we fit golf equipment to your 'own' swing.

How? we ensure you and your equipment work in harmony together by looking at various elements of your golf swing. By getting you to hit a number of balls, with a variety of clubs, over a variety of distances, we look at your swing, your distances, and your strike, seeking to improve your current performances.

Crèche

Roehampton Club Crèche aims to offer a fun, stimulating and safe environment while meeting the individual needs of each child. Activities include messy play, story time, sing-along nursery rhymes and outdoor play (weather dependent).

3 months – 5 years or 8 years with siblings

We will ...

- smile and greet everyone, big or small who comes into our crèche
- plan and provide creative programmes to inspire your children
- ask for your feedback
- make sure that your child is always provided with a drink
- change nappies as required, but ask that you please provide your own nappies, wipes and a nappy sack in a labelled bag
- always tell you what your child has been doing while they have been in our crèche

The science of learning through play

Your children and babies learn through first-hand experience in a holistic manner. They have a natural desire to learn and to make sense of their environment through playing and using their senses.

Our crèche allows children to develop at their own pace with the focus on what they can do rather than what they are unable to do. Play is your child's work, enabling them to make sense of the world around them, exploring and experiencing within the safety of a supervised and caring environment.

The Roehampton Club crèche has been designed with this in mind. Our activities are designed to create that special range of experiences (physical, intellectual, social, and emotional), enabling your child to embrace knowledge at their own pace.

So, you can be confident that your child is having fun and learning through play. We pride ourselves on the wide range of activities we provide. Please look out for our regular monthly plan of everything going on in the Roehampton Club's crèche.

Things you need to know

- Please do not bring your child to crèche if they have been unwell in the past 24 hours. This is for the comfort of your child and the health of the other children.
- Please tell us of any changes to the information on the crèche registration card as soon as possible
- Please bring any spare clothes for your child and remember to label any bags, bottles, cups etc.
- Book your child in and out at the crèche reception on each visit. This is in accordance with fire regulations.
- Snacks and lunches can be brought to the crèche but there are no heating facilities.
- Please don't forget to drop off and collect your child at the allocated time.
- Please give 24 hours notice if cancelling your booking.

Bookings for the crèche may be made up to fourteen days in advance and some ad-hoc spaces may be available on the day. Children must stay for a minimum of one hour with 30- minute increments.

The crèche offers a first 'settling' session free of charge and then 10- and 20-hour voucher schemes are available for parents who wish to use the crèche on a regular basis and receive discounted prices.

THE SOCIAL SCENE

The Club arranges a variety of social events throughout the year, to appeal to all our Members. Our social events provide a wonderful opportunity to meet fellow Members and catch up with friends.

There is a diverse range of events on offer – regular music nights, ‘Evenings with ...’, dinners, quizzes, wine tasting evenings and literary talks, as well as some cultural trips to venues outside the Club. Our annual events including Family Day and Fireworks Spectacular remain highlights of the Social Scene which we publish seasonally in autumn/winter and spring/summer.

For our younger Members we hold smaller events throughout the year to celebrate occasions such as Pancake Day and Halloween, as well as a traditional Egg Hunt around the gardens on Easter Sunday.

Spy School, a week when Juniors enter a world of agents, adventure and mysteries, is a firm favourite each summer.

We welcome Members to bring guests to our social events, which can be booked at the Clubhouse Reception by calling 020 8480 4200, or online via the Club website www.roehamptonclub.co.uk

For any queries or if you have any ideas for new social events please contact Livia Slivova, Events and Weddings Coordinator on 020 8480 4281 or livia.slivova@roehamptonclub.co.uk

It honestly was faultless in every respect – many of our guests from that night have remarked as such too. Please also pass on our thanks to the chef and kitchen staff – the meal was amazing (also commented on as such by many of our friends that night).

I suspect it was obvious on the night that we had the absolute best night, and the part you played is greatly appreciated!”

EQUALITY AND DIVERSITY

The Equality and Diversity policy is in place to ensure that everyone is treated fairly and with respect and ensure that Members, their guests and visiting teams are not denied access to our Club because of a discriminatory reason. An explanation of the different types of discrimination can be found on our website.

This policy is fully supported by the Board of Directors who are responsible for the implementation and review of this policy. Club Members and staff are asked to adhere to the following:

- a) Take responsibility for setting and upholding standards and values that apply throughout the Club at every level, so activities can be enjoyed by everyone who wants to participate.
- b) Demonstrate a commitment to eliminating discrimination by reason of age, gender, gender reassignment, sexual orientation, race, nationality, ethnic origin, religion or belief, ability or disability and to encourage equal opportunities and an inclusive welcoming environment.
- c) Ensure that staff, Members, their guests and visiting teams are treated fairly and with respect and ensure that all Members, regardless of their ability, have access to and opportunities to take part in, and enjoy programmes of activities, competitions and events.
- d) Oppose all forms of harassment, bullying or abuse towards an individual or group whether it is physical, verbal or online that is based on any of the characteristics listed above or for any other reason. Any incidents of this or a similar nature will be treated seriously and subjected to the appropriate disciplinary process.
- e) Ensure there is an immediate investigation of any complaints of discrimination on the above grounds, once they are brought to the attention of the Club. Complaints will be dealt with in accordance with Club Rules and, where such a complaint is upheld, the Board's Disciplinary Panel may impose such sanctions as it considers appropriate and proportionate to the discriminatory behaviour as per Club Rule 2(c).
- f) Promote a culture that encourages the learning and development of all Club staff in order to achieve greater diversity and inclusion within the Club.
- g) Be committed to and deliver a policy of fair and equitable treatment for all Members and staff and require all Members, staff and volunteers to abide by and adhere to these policies and the requirements of the Equality Act 2010 as well as any amendments to this Act or any new equality legislation.
- h) Be committed and take action to create an inclusive environment that is welcoming and seeks to improve representation across all groups and participation at all levels.

CLUB RULES

1. LIABILITY

No Member of the Club or of the Committees shall be under any liability whatsoever, or become liable or responsible for any expenses in connection with the Club.

2. DIRECTORS' POWERS

- (a) The Directors of Roehampton Club Limited ('Company'), shall at their absolute discretion, decide the terms on which persons may become or remain Members of the Club. Without prejudice to the generality of the foregoing, the Directors may determine the amount of the Entrance Fee, the number (if any) of shares that Members may be required to hold in the Company or Roehampton Club Members Limited ('RCML'), and any other conditions relating to such shareholding, and the rate of the quarterly subscription to be paid by all Members. The Directors shall also have the power, at their absolute discretion, to raise the rate of the quarterly subscription as from 1 January, in any year, and specify the number (if any) of shares that Members may be required to hold in the Company or RCML in any such year, and any other conditions relating to such shareholding, subject to notice of any such change being given to all Members before 1 December in the previous year. The Directors shall also decide the number of Members and shall have the entire financial control of the Club.
- (b) The affairs of the Club shall be managed by the Directors, in whose hands the general management of the Club and the making and enforcing of Rules, Regulations and Byelaws are vested. The Directors shall have power, but without prejudice to the Directors' rights under Rule 2a, to alter Rules, Regulations and Byelaws, as they may think necessary. The Directors shall have power to appoint a Chief Executive. All Rules, Regulations and Byelaws shall be binding on all Members of the Club.
- (c) (i) The Directors shall have absolute power at any time to terminate or suspend the membership of any Member without assigning any reason for their so doing and no appeal whatever shall lie from their determination, nor shall any such Member have any claim or remedy whatever against the Club or the Directors, except that the Directors may reconsider such determination upon being required to do so by a requisition signed by not less than twenty Members.
- (ii) No Member shall attempt to induce any employee of the Club to leave his or her employment.
- (iii) Without prejudice to the provisions of 2c(i), the Directors will approve and publish from time to time the procedures to be operated by the Club in the event of any allegations of misconduct of a Member which may make it appropriate to terminate or suspend that Member's membership other than for non-payment of subscription.

3. COMMITTEES

- (a) **Number of elected Members**
The Bridge, Croquet, Golf, Health Club, Squash, Tennis, and Ladies' and Men's Golf Committees shall, subject to the following provisions of this Rule, each consist of six elected Members.
- (b) **Term of elected Members**
Save where an elected Member resigns their office or is prevented from continuing in office for some other reason, each elected Member shall serve on the relevant Committee for a term of three years, or such shorter term as is necessitated by the retirement by rotation provisions referred to in paragraph (c) below. No person may serve more than two terms as an elected Member in respect of a particular Committee.
- (c) **Retirement by rotation of elected Members**
Each year the two longest-serving elected Members of each Committee shall retire. They shall be eligible for immediate re-election, subject to the rule set out in paragraph (b) that no person may serve more than two terms as an elected Member in respect of a particular Committee.
- (d) **Election of elected Members**
- (i) During the first two weeks of September Members of the Club will be able to nominate candidates to replace retiring elected Committee Members (and any co-opted Members who are vacating office pursuant to paragraph (e)(iii)). If the number of duly nominated candidates is equal to or less than the number of vacancies, all such candidates will be appointed as elected Members. Voting will take place in the second two weeks of September if there are more nominations than vacancies. In the event of a tie a further ballot will be held.
- (ii) Candidates for Committees shall be nominated and voted for only by those Members whose membership category entitles them to participate in the respective games. For example, only lady golfers may nominate and vote for candidates for the Ladies' Golf Committee and only male golfers may nominate and vote for candidates for the Men's Golf Committee.
- (iii) Voting Papers shall be available from the Clubhouse Reception during the election period.
- (e) **Co-opted Members**
- (i) In the event of either (i) insufficient nominations for new elected Members being received in respect of a Committee to replace those retiring elected Members pursuant to paragraph (c) and those co-opted Members vacating office pursuant to paragraph (e)(iii); or (ii) any casual vacancy occurring during the year on the departure from office of an elected or co-opted Member, such vacancies shall be filled by co-opting new Committee Members.

- (ii) The Members of the Committee shall be entitled to make recommendations to the Board as to the identity of the new Committee Members co-opted, but the power to co-opt new Committee Members shall be exercisable only by the Board in their absolute discretion (subject only to the terms of this Rule 3).
- (iii) Co-opted Committee Members shall serve in office until the next appointment of elected Members following their co-option. Subject to the rule set out in paragraph (b) that no person may serve more than two terms on any Committee as an elected Member, they shall be entitled to be nominated as a candidate to be an elected Member of the relevant Committee during such appointment process.

(f) Advisory Members

The following persons shall be entitled to participate in proceedings of the relevant Committee and to enjoy the same rights as elected Members of the relevant Committee save that they shall not be entitled to vote nor to be taken into account when calculating a quorum:

- (i) Chairs/Captains may invite non-elected Members onto the Committee on an annual basis as they see fit to act in an advisory capacity.
- (ii) At least one management representative shall be an exofficio Member of each Committee, such management representative(s) to be appointed and removed at the discretion of the Board.
- (iii) Each year a Director (other than the Captain/Chair of the relevant Committee) will be nominated by the Board to represent the Board on the Bridge, Croquet, Golf, Health Club, Tennis and Squash Committees.

(g) Voting and Quorum

- (i) Only elected and co-opted Members of Committees may vote at meetings and be taken into account for the purposes of calculating a quorum. In the event of an equality of votes, the Chair/Captain shall have a casting vote.
- (ii) Three elected or co-opted Members shall form a quorum for meetings of a Committee.

(h) Initial meeting

- (i) Each Committee will meet as soon as possible after the appointment/election of new elected Members pursuant to paragraph (d). In the case of the Golf Committee, the initial meeting shall be held as soon as practicable after the Annual Meeting of Golfers.
- (ii) At such initial meeting, the chair shall first be taken by the management representative referred to in paragraph (f)(ii), or in their absence the Director referred to in paragraph (f)(iii). The first item of business shall be to elect the Chair for the following year from among the elected (but not co-opted) Members present at the meeting. Following such appointment, the chair shall then be taken by the new Chair. For the avoidance of doubt, the first Chair of the meeting referred to in this paragraph shall not be entitled to vote, whether by exercising a casting vote or otherwise, at the meeting.

- (iii) In the event that at such initial meeting the Members are unable to agree as to the identity of the new Chair, the initial Chair shall carry on in such position until the end of the meeting (but shall still not be entitled to vote). Following the meeting, the Chair of the Committee shall be appointed by the Board in their absolute discretion (subject to paragraph (i)). The Board may also appoint the Chair of the Committee in their absolute discretion where the Chair vacates the office prior to the end of their term and the Members are unable to agree on an elected Member to replace them. In either case, the Board may appoint a Chair who is not a Member of the relevant Committee – in such event, such a Chair shall be deemed a co-opted Member for the purposes of this Rule 3 (save that where the Chair was not an elected or co-opted Member prior to appointment by the Board, their vacation of office shall not create a new vacancy for an elected or co-opted Member).

(i) Term as Captain/Chairman

- (i) The Captain/Chair of the Committee shall serve as Captain/Chair until the earliest of (i) the next initial meeting of the relevant Committee referred to in paragraph (h) (i), or (ii) their retirement pursuant to paragraph (c) or their vacating office pursuant to paragraph (e)(iii). No person may serve as Captain/Chair of a Committee for more than three consecutive years.
- (ii) The Captain and Lady Captain of Golf shall be ex officio non-voting members of the Golf Committee and, respectively, of the Men's and Ladies' Golf Committees, if they are not elected members of those Committees. The Men's and Ladies' Golf Committees shall be chaired by the Captain and Lady Captain of Golf respectively.
- (iii) The Captain and Lady Captain of Golf shall be chosen by the outgoing Captain or Lady Captain, as the case maybe, after consultation with the Men's and Ladies' Golf Committees and Past Captains of Golf at the Club and their appointment shall be announced at the Annual Golf Meetings in the year before their term of office commences, so that they shall act as Vice Captains following their announcement.

(j) Vice-Captains

Meetings of the Committee may also appoint Vice Captains to assist the Captains in their duties.

(k) Fixture Lists

The Captain/Chair elect will be responsible in conjunction with the relevant Sports Manager for drawing up the Fixture List for the year of their office.

(l) Responsibilities of Sports Committees

Sports Committees will be responsible for the general conduct of their game at the Club including:

- (i) Organising Members' competitions.
- (ii) Arranging inter-club matches.
- (iii) Handicapping.
- (iv) Carrying out those duties laid down as a Committee's responsibility in the rules of the game

concerned, including regulations of play. Where finance is involved or other sections of the Club are affected, the Liaison Director will refer the matter to the Board should they and the Chief Executive be unable to resolve the problem. The Chief Executive is responsible to the Board for the condition of the playing facilities, but the views of the Sports Committees regarding their upkeep and maintenance will be given the fullest consideration.

(m) Other Committees

For the avoidance of doubt, the foregoing provisions of this Rule 3 shall not apply to the Art Group, PhotoClub, the Family Forum, Young Members and Seniors Forums, the Junior Golf Committee, the Junior Tennis Committee and the Wine Committee. Such committees shall organise their own activities through the appropriate Club delegate and such committees shall comprise as many Members as the particular Group/Committee sees fit.

4. ELECTION OF MEMBERS

- (a) The election of Members shall be vested in the Directors. Candidates shall be proposed by one Member of the Club and seconded by another (to both of whom the candidate should be personally known) on the form provided by the Membership Team. The names of the proposer and seconder must be in their own handwriting or in that of the Chief Executive, if duly authorised by them in writing. Both proposer and seconder must give the Directors, in writing, full particulars as to the eligibility of their candidate. Before any candidate can be considered for election as a Member, the proposer will introduce the candidate to one of the Directors, who will endorse the candidate's form. A non-refundable registration fee is payable by each adult candidate whose application for membership is approved by the Directors.
- (b) The Directors have absolute discretion as to who is admitted as a Member of the Club, on what terms, and how to exercise this discretion in the interests of the Club and its Members.
- (c) No candidate shall be admitted to membership until a minimum period of two days has elapsed from the receipt of application for membership.
- (d) All candidates admitted to a golf playing category must undergo a golf induction with a Club Professional to substantiate their handicap and playing rights. New Members wishing to attain an official handicap must play with a golf playing Member (preferably their proposer or seconder) who will verify their score cards, which are required for handicap assessment by the Golf and Games Manager.
- (e) Members with a handicap of 22.4–26.1 (men) and 33.2–36.9 (ladies) may only play at weekends after 2pm in the summer and 1pm in the winter.
- (f) All candidates admitted to a tennis playing category must undergo a tennis induction with the Racquets Director to substantiate their playing ability and introduce them to the club coaching and social programme.
- (g) Any candidate who has been rejected shall not be admitted into the Club as a guest without the specific permission of the Chief Executive.
