Gift Vouchers are always a great gift for those that may prove trickier to buy for or as a last-minute solution! We start our Sport Shop Vouchers from just £25 and these can be spent on anything in the Sports Shop – we offer a nice voucher that can be presented on Christmas Day.

Perhaps one of our most popular gifts are golf lessons – every golfer wants to be better at the game we love! Lessons start from just £40, vouchers can be used with any of our qualified PGA Professionals and are valid for 12 months. Please find below details of what you can purchase, and all lessons can include the use of the latest Trackman 4 Technology in our performance studio:

- 30-minute lesson £40 – this would present the opportunity to work on one specific aspect of the game.
- 60-minute lesson £80 – this would present the opportunity to work on one specific aspect in more detail or two aspects of the game.
- 90-minute lesson £120 – this would be a six-hole playing lesson with a PGA Professional.
- 6 x 30-minute lessons £222 (Saves 7.5%) – this is a fantastic option to work on several different aspects of the game and can also include playing on the golf course with a PGA Professional.
- 6 x 1-hour lesson £432 (Saves 10%) – this is the ultimate package! A PGA professional will devise a programme tailored to your goals and aspirations. This will cover all aspects of the game and include time on the golf course – the fast track to a better golf game.

All vouchers can be purchased over the phone or online – please contact 02088763858 or email ricky.pharo@roehamptonclub.co.uk for more details and we will arrange this for you.
