

## Spring term 2025 Discovering Watercolour with Shaun Carey Tuesdays 2 – 5 pm

Welcome to the Spring Term 2025

This Class is suitable for anyone who would like to paint in watercolour, from complete beginners onwards.

During this 10-week course we will cover a wide range of watercolour techniques designed to help you express yourself whatever your experience and to gradually develop your own style. You need to bring your own art materials (see separate sheet.)

I will supply photos and reference for you but if you would prefer to tackle something more personal to you, please bring your own photo.
