

Spring 2025 - Life Drawing with Kathy Barker Wednesdays 10am -1pm

As a courtesy to the model, please try to arrive before 10am so the class can start promptly. All sessions begin with short poses until the 11 am coffee break.

Materials: suggested list on separate sheet

BRING: willow charcoal, rubbers, pencils (2B and up) putty rubber, normal rubber, A2 paper for sketching and drawing and always good to have 1 x toned paper with you in case it takes your fancy.

Housekeeping notes for Charcoal and Pastel users:

As a courtesy to other artists, please make sure to brush away all charcoal and pastel dust off the easels and boards so that it doesn't dirty their boards and paper. (There is a dustpan and brush in the Store Room).
